Writs & Appeals

Nelson Hardiman's world class team has comprehensive knowledge of the legal system to win writs and appeals for healthcare providers. In dealing with healthcare agencies, our writ proceedings compel compliance with the law. Widely recognized for our appellate practice, we have won landmark decisions for physicians and hospitals. As a leader in healthcare law, Nelson Hardiman's pioneering use of writ proceedings and our appellate victories have established precedents that challenge administrative actions and expand the rights of healthcare providers.

Writs

At the state level, Nelson Hardiman handles writs of mandamus and administrative mandate proceedings against state agencies. At the federal level, Nelson Hardiman masterminds writ proceedings for clients who have no other options.

Appeals

Nelson Hardiman has made significant contributions to the development of California healthcare law in state and federal appellate courts. We represent physicians and other healthcare providers in appeals concerning peer review, medical staff privileges, and rights against federal, state, and local government and third-party payors. Our highly skilled litigators have garnered precedent-setting appellate victories to resolve the legal challenges of healthcare providers.
