NELSON HARDIMAN
HEALTHCARE LAWYERS

Medical Staff Representation

With a proven track record of several decades, NH serves as outside counsel to medical staffs of public and private hospitals, clinics, and health plans on a wide range of issues including, medical staff bylaws, policies and procedures, best practices, investigations, peer review proceedings, mandatory reporting, internal appeals, writ proceedings, State and Federal Court civil litigation, and related appellate proceedings. NH represents medical staffs of hospitals, health systems, health plans, medical groups, ambulatory surgery centers, and other healthcare providers in a coordinated effort with administration and their boards/governing bodies, on regulatory and compliance issues.
