Founding Partners Harry Nelson and Mark Hardiman recognized as Top Healthcare Lawyers of 2020

Nelson Hardiman's founding partners Harry Nelson and Mark Hardiman were recognized by the Daily Journal as two of 2020's Top Healthcare Lawyers. The list honors leading California attorneys who specialize in healthcare litigation, transactions, and counseling.

Harry Nelson also serves as the managing partner of Nelson Hardiman and was recognized as a Top Healthcare Lawyer in 2019. Harry has earned a reputation nationally as a thought leader addressing industry challenges both tactically and strategically, helping leaders and organizations think through how to respond both proactively, in response to crisis, and in taking corrective action to remediate problems. California and federal regulators confer with him in addressing difficult problems, reflecting his reputation as an honest and thoughtful voice on healthcare problems nationally.

Mark Hardiman has established our national reputation for work on behalf of hospitals and other healthcare providers that are sued by whistleblowers and/or the federal government for submitting false claims for medical services and items to Medicare and other federal health care programs in violation of the FCA. He was also recognized by The Legal 500 for leading the firm's FCA litigation practice.
