

Firm Co-Founder Harry Nelson to Speak on “Money For Lunch” Radio-show

Co-founder and Managing Partner [Harry Nelson](#) will be

discussing the national pandemic of over-prescribing on the “Money for Lunch” radio-show with Bert Martinez on November 18th at 10:30am PST.

The pandemic of prescription drug overdose — expanding at more than five times the rate of the decade ago — has important implications for doctors, patients, and pharmacies. See the attached CDC report that outlines the growth rate of this issue, the government crackdown, and what it means for patients and [healthcare](#) providers. ([CDC Report](#))
