

Reefer Madness: Medical Marijuana's Evolution From The Courtroom To The Boardroom

Beverly Hills Bar Association Health Law Committee Criminal

Law Section Presents:

[Reefer Madness: A Panel Discussion On Medical Marijuana's Evolution From The Courtroom To The Boardroom](#)

Legal marijuana is the fastest growing industry in the United States. With conflicting federal, state, and local laws, lawyers encounter many challenges in representing medical marijuana providers and related businesses. This presentation addresses the changing regulatory landscape and the common legal issues facing practitioners who have clients involved in this industry. Please join our distinguished panel as they discuss the interplay between the criminal and regulatory laws, as well as their experience in representing and operating medical marijuana businesses.
