Nelson Hardiman is proud to support FundaMental Health

Nelson Hardiman is proud to support FundaMental Health and their
Brunch with a View Gala fundraiser this Saturday, December 2 in Del Mar, CA.

FundaMental Health (https://fundamental.health/) is a 501(c)(3) non-profit organization on a mission to bring down the barriers to quality mental health care access. FundaMental Health provides financial grants, case management, and referral services for individuals struggling to access much needed mental health services, with the belief that improving mental health will fundamentally improve the lives and communities around us. FundaMental Health believes access to mental health care is a fundamental right, and they endeavor to break down financial barriers and improve access to mental health services for all. Starting local in their home community of Greater San Diego, they plan to expand their programs to Los Angeles and beyond in the future.
