

# Women in Health Administration of Southern California

**Women in Health Administration of Southern California (WHA)** is a nonprofit professional association for women healthcare leaders.

**Mission:** To support the professional growth and advancement of women working in administrative healthcare positions.

**Vision:** To be the premier professional organization for women who make a career in healthcare administration.

**Core Values:**

- Provide forums for professional growth and career development.
- Create opportunities for quality networking and personal growth.
- Raise awareness and understanding of current healthcare issues.

Nelson Hardiman will join WHA in honoring **Margaret Peterson**, President of Dignity Health – California Hospital Medical Center.
