

Senior Care 2028: What's Ahead for Medicare, Health Policy, and Delivery of Care for Aging Seniors?

Date: October 16th

Speaker: [Harry Nelson](#)

- I. How are reimbursement pressures and challenges driving U.S. health policy with respect to senior care?
- II. What are the likely changes in policy and coverage that will reshape senior care over the next decade?
- III. How will care delivery adapt to the changing environment?
