Cannabis Legalization

Date & Time: Sunday, August 18th, 4-8 PM

Location: 174 Daniel's Hole Rd. East Hampton, NY 11937

Is the massive shift in public opinion is built on a foundation of overall – best – well being or is it greed and lifestyle desires?

When will it be legal in NY and what will the restrictions look like?

What's the timing with the fed's?

How do or don't "the benefits of legalizing marijuana far outweigh the risks?" Governor Cuomo's statement during his budget address in January, where he estimated that the state could see $300 million in revenue annually from the drug's sale.

How will the police protect the public and screen impaired marijuana drivers?
