NELSON HARDIMAN
HEALTHCARE LAWYERS

Overview on State-Based Rules and Regulations Affecting the Medical Spa and Esthetic Industry

Date: Saturday, December 7, 2019
Time: 9:10 AM – 10:45 AM
Speaker: Mark Hardiman and Kathryn F. Edgerton

Structure
o Who can own a Medspa?
o Independent practice or part of your existing practice if you have one – which is best?
o What kind of corporation is best – this one decision determines the short term and long-term success of your Medspa

Scope of Practice and Delegation
o Understand scope of practice and which medical/dental professionals can deliver Botox, fillers, PDO threadlifts, fire a laser/IPL/RF, and use a microneedling device
o PAs, NPs, RNs, Estheticians and Laser Techs: what they can/cannot do in a medical spa o Who can be a medical director and who can delegate – this might surprise you
o Must a physician be present and examine every new patient?

HIPAA
o Does HIPPA apply to a medical spa?
o The Most Common HIPAA Liability Exposures
o HITECH Act of 2009 with expanded HIPAA privacy rules in 2013, what they mean to you
o Policies and training needed to be HIPAA compliant
