

Harry Nelson Signing Books at LA Book Festival

[Harry Nelson](#) will be signing books at the LA Festival of Books

at USC tomorrow Brentwood 11-1pm promoting the newly released book, "From Obamacare to Trumpcare: Why You Should Care."

The book, which is available on [Amazon](#) (where it has a perfect 5 star rating), offers a comprehensive survey of healthcare policy leading up to the Affordable Care Act, examines its strengths and weaknesses, and portends the direction the Trump administration and the Republican led Congress will take healthcare policy. We have it on good authority that the book is being passed around
