University of California, San Diego, B.S.

PROFILE

Jay Paik works with doctors, medical groups, and other healthcare providers on business, regulatory and healthcare related enterprises. He concentrates on the building blocks of business—structuring and negotiating transactions, joint ventures, MSO arrangements and employment agreements. His experience includes the formation and operation of corporations, partnerships, and limited liability companies.

Focus on Healthcare Business Compliance

Jay regularly advises clients on conducting day-to-day business operations to ensure compliance with the Stark Law, the Anti-Kickback Statute, Medicare and Medicaid participation and billing requirements, professional licensing rules, the corporate practice of medicine and fee-splitting restrictions and HIPAA regulations. He also develops compliance plans and policies for healthcare providers.
